問題 次の英文を和訳しなさい。〔2016 年 早稲田大 政治経済学部〕

I think I should indicate why I am here in Birmingham，since you have been influenced by the view which argues against＂outsiders coming in．＂I have the honor of serving as president of the Southern Christian Leadership Conference，an organization operating in every Southern state，with headquarters in Atlanta，Georgia．We have some eighty－five affiliated organizations across the South，and one of them is the Alabama Christian Movement for Human Rights．Frequently we share staff，educational and financial resources with our affiliates．Several months ago the affiliate here in Birmingham asked us to be on call to engage in a nonviolent direct action program if such were deemed necessary．We readily consented，and when the hour came we lived up to our promise．So I，along with several members
of my staff，am here because I was invited here．I am here because I have organizational ties here．
